Danville-Boyle County COVID-19 History Project Activity Packet

Boyle County Public
LIBRARY

How did you first hear about the virus?
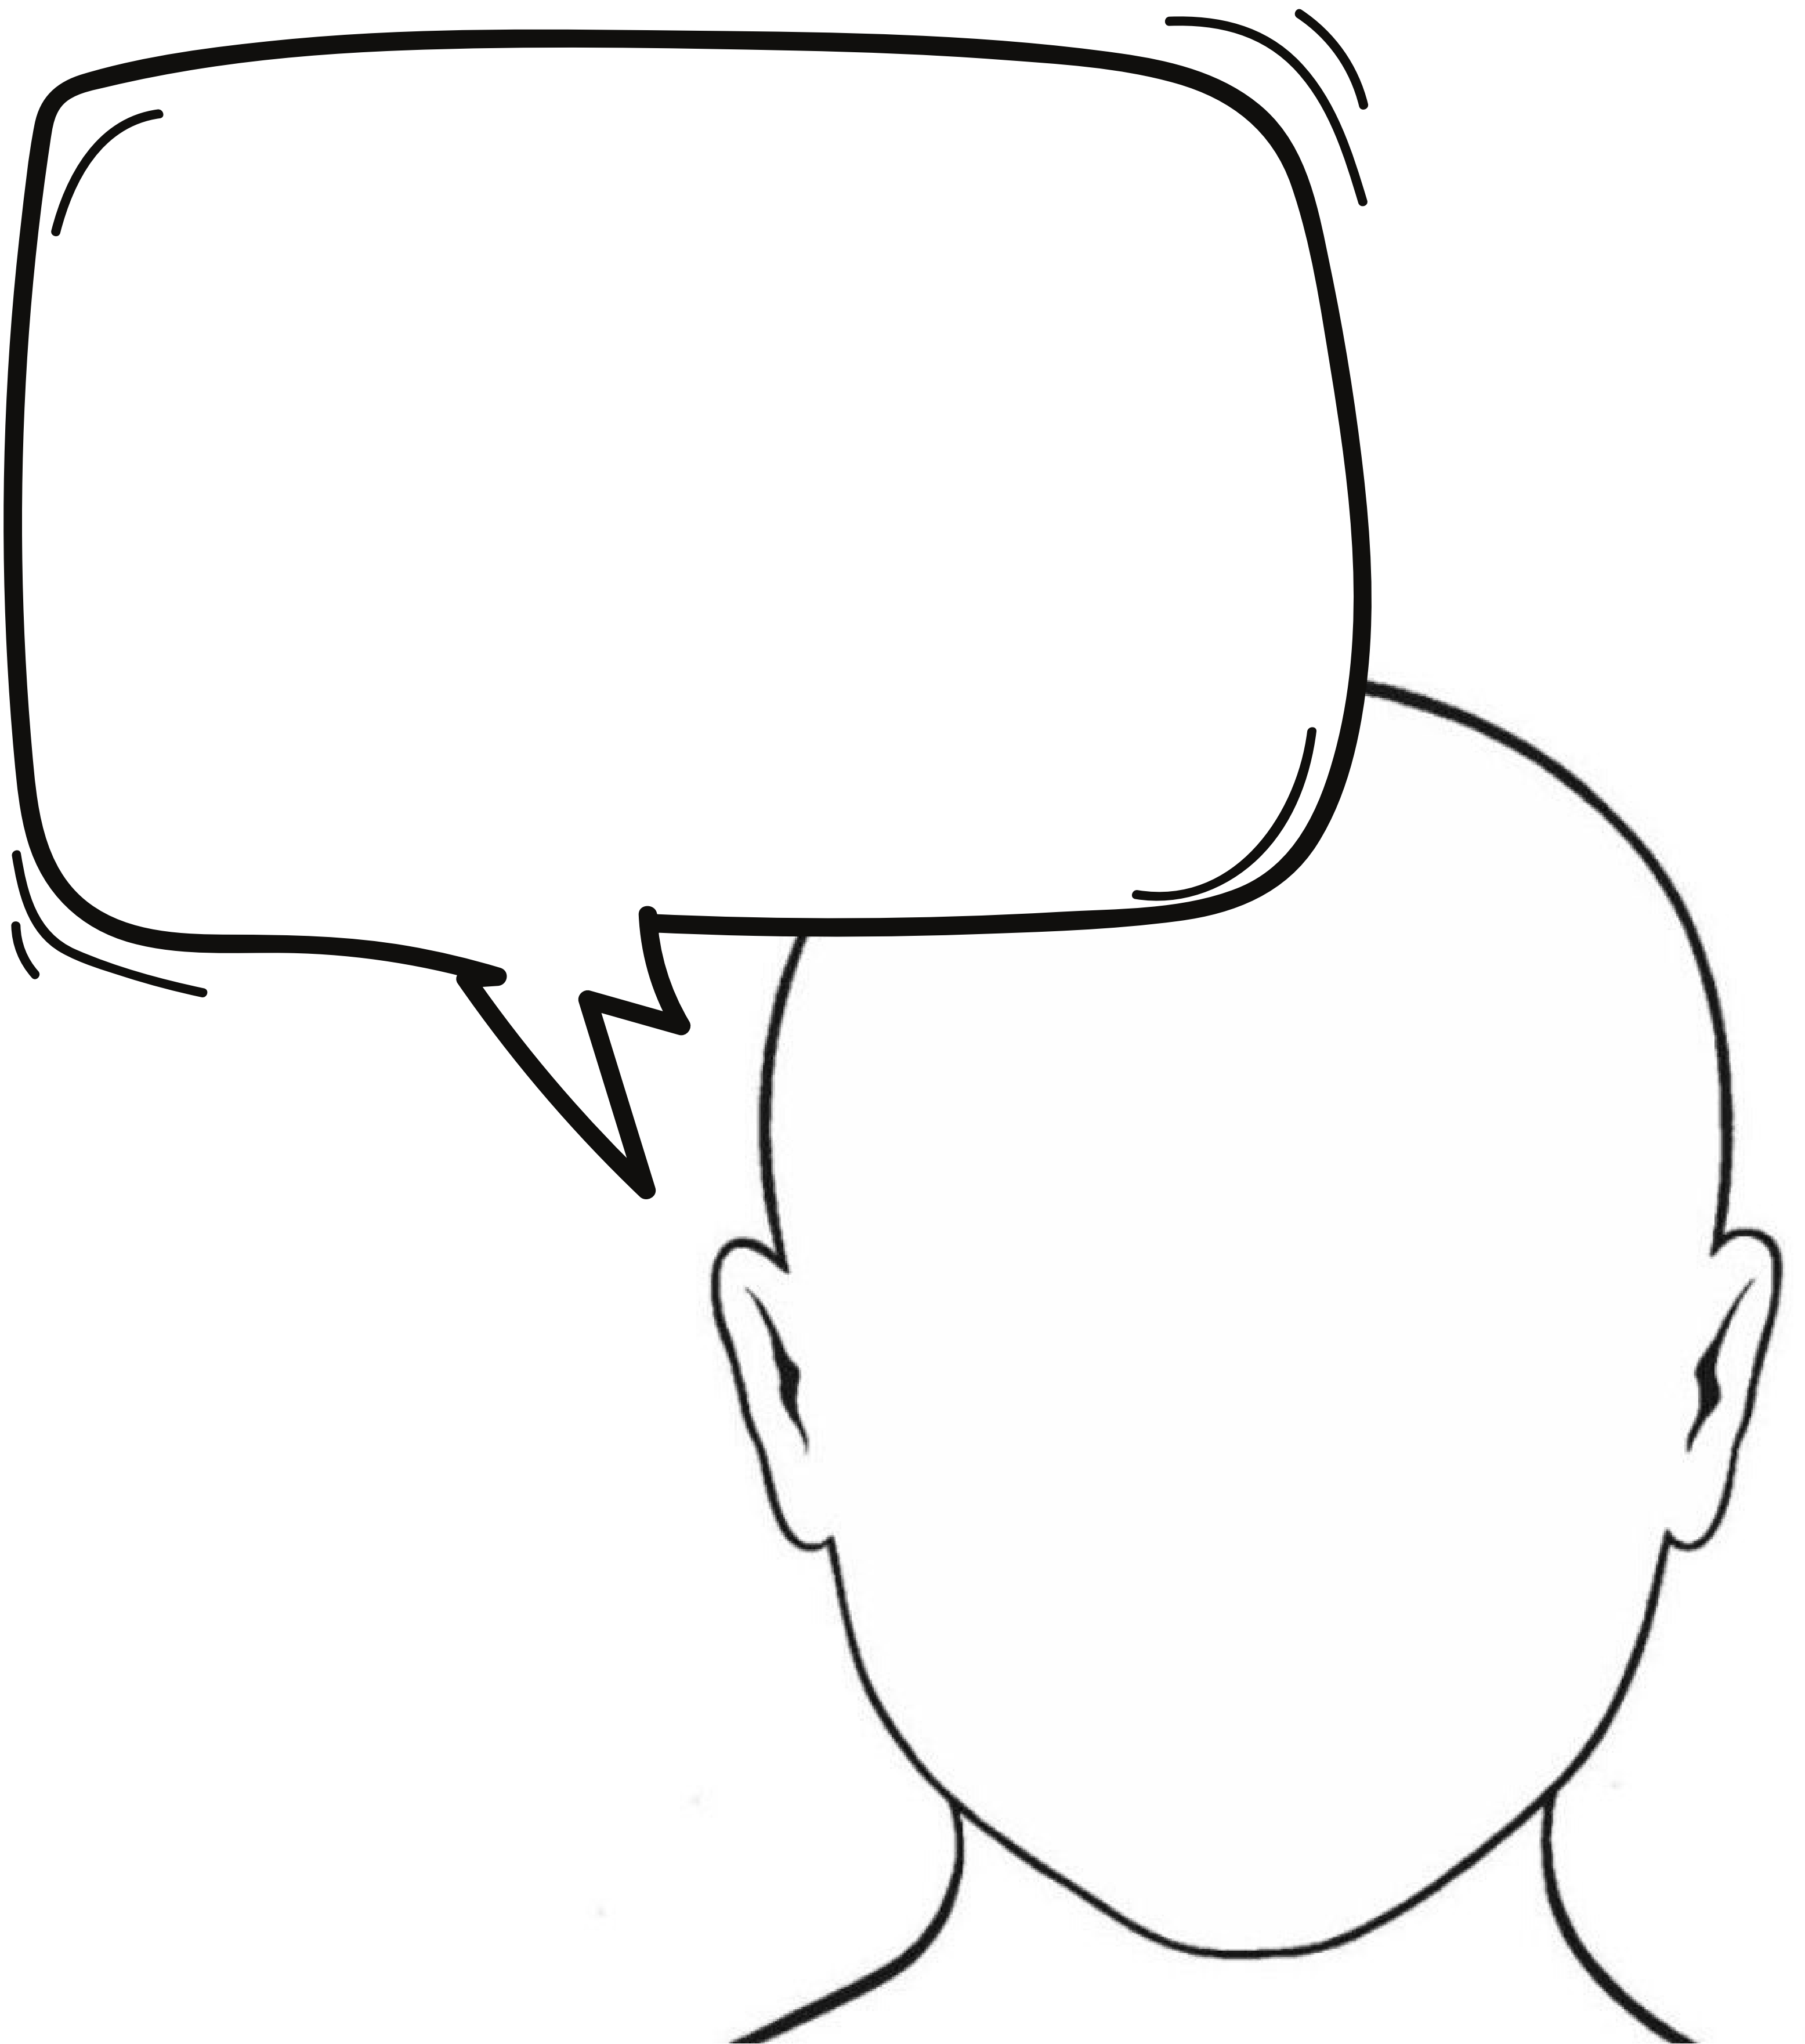

Many changes were made because of the virus. What changes affected you the most, good or bad?

● ●

How were your days different during the pandemic?

How did you feel about doing school work as NTI packets when you first started having to do school from home? Color the face you agree with!

How did you feel about the NTI packets when you finished the school year? Color the face you agree with!
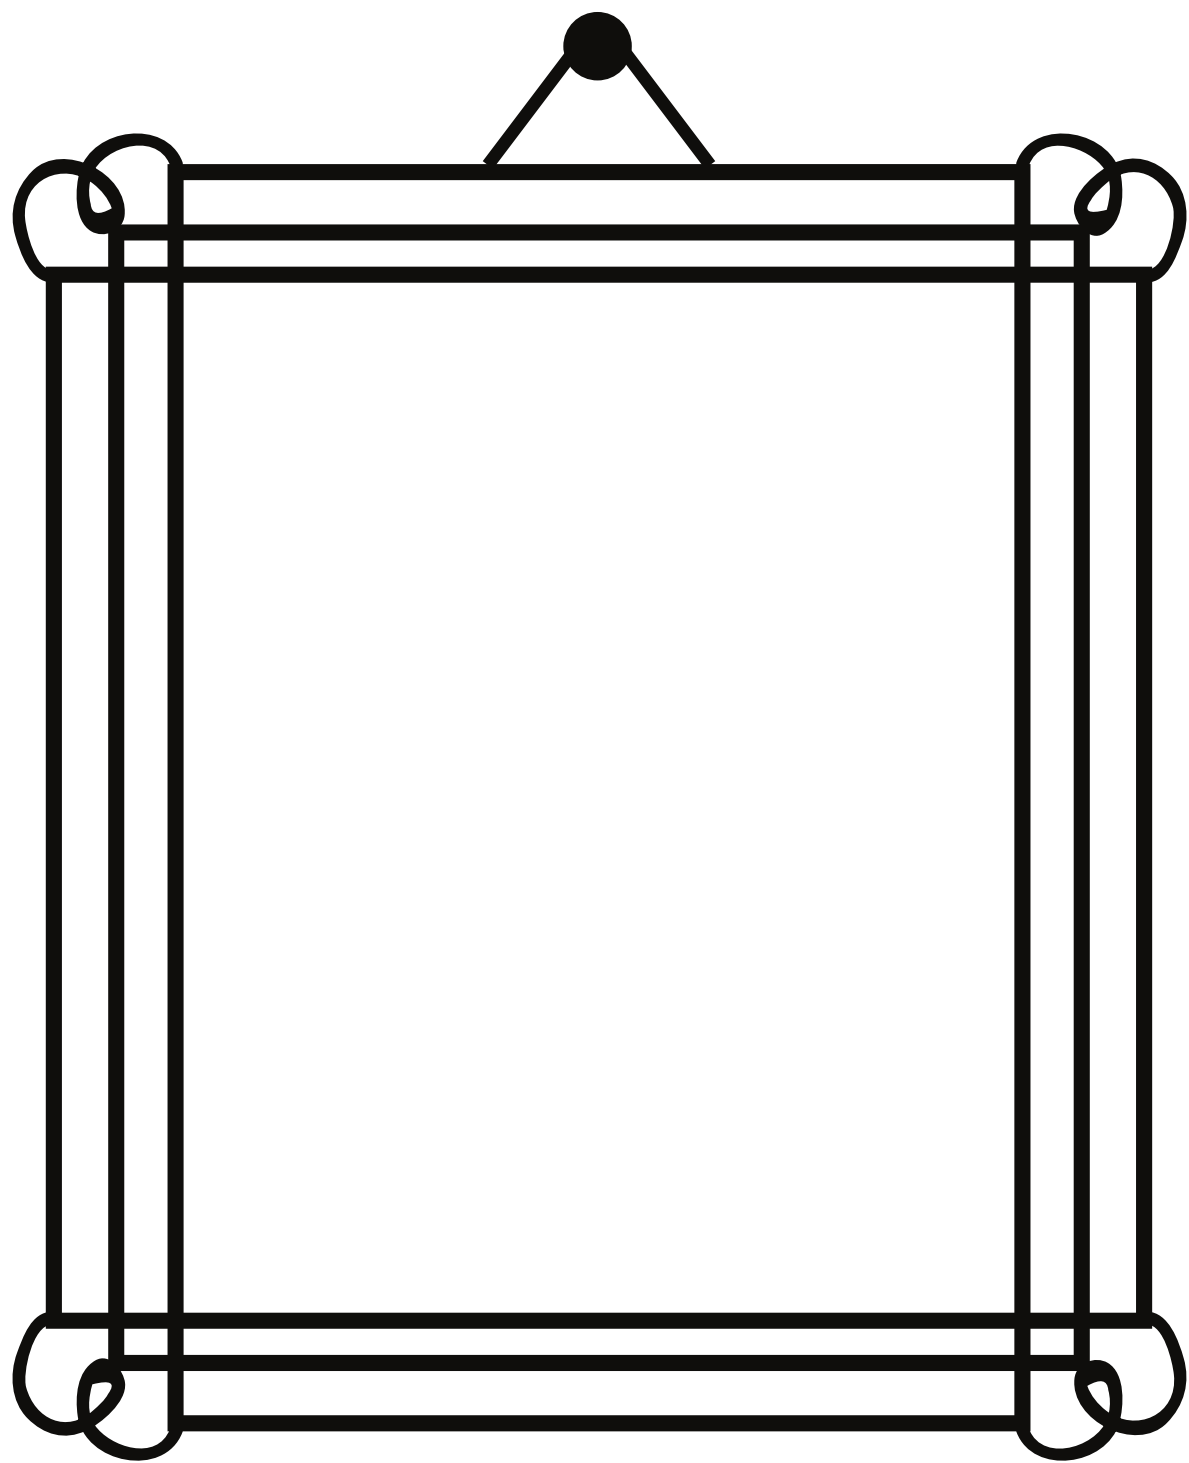

What did you miss about going to school and what did you not miss? If you are homeschooled, how was your school day different during quarantine?
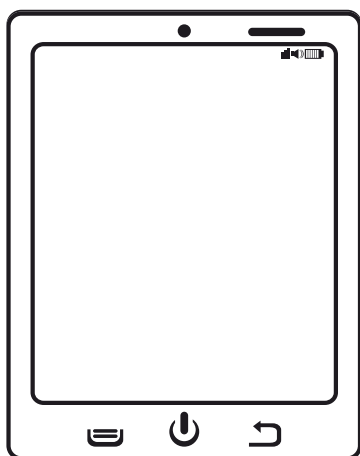

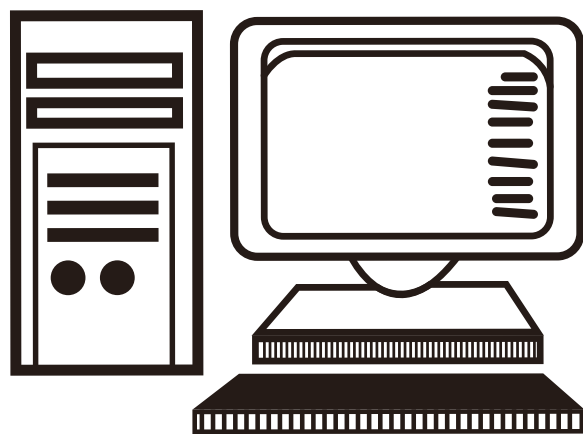

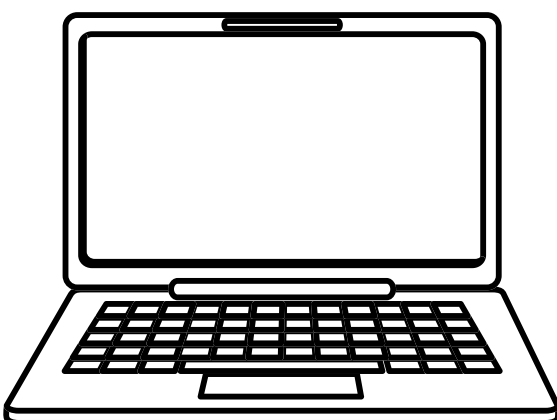

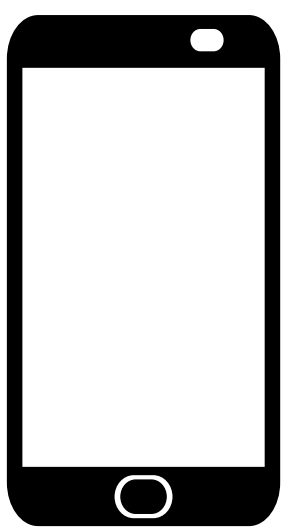

How did you feel during quarantine?
